

**2021 Paid Summer Internship (Engineering)  
Foundry Technology/Metallurgical Engineering  
Seasonal Lodging Included**

The Ford Meter Box Company, Inc. ([www.fordmeterbox.com](http://www.fordmeterbox.com)), North America's largest brass foundry, is seeking a motivated, paid Foundry Engineering Intern for Summer 2021 at our Wabash plant, just 70 miles north of Indianapolis, Indiana.

Ford Meter Box manufactures potable water distribution components for residential and commercial use. It has been in business for over a hundred years and has been a pioneer in the waterworks industry.

This internship requires a "Can-Do" attitude, great communication skills, exceptional punctuality, and a desire to work with all facets of the foundry casting process. Shift flexibility is required for certain projects. Interns should be comfortable working in warm conditions performing a variety of materials minded assignments.

Topical focuses include:

Foundry Tasks and Labor  
Hand Tool Operation  
Green Sand Molding Processes  
Environmental/Safety Compliance  
Sustainability Initiatives  
Material Diagnostics, Statistics, and Analysis  
Oral Presentations

The ideal candidate will be pursuing a four-year degree in Materials/Metallurgical Engineering, Materials Science or Mechanical Engineering with a focus in Materials Engineering. Prospects knowledgeable and interested in pursuing a career in the foundry industry are strongly preferred.

Candidates must be at least 18 years old and have completed their sophomore year with at least a 3.0 cumulative GPA. The deadline for submission is January 5<sup>th</sup>, 2021.

Seasonal lodging is available for candidates that are selected.

Resumes may be mailed to:

The Ford Meter Box Co., Inc.  
Attn: HR/Foundry Engineering Intern  
PO Box 398  
Wabash IN 46992  
Or E-mail (as an MS Word document) to [opportunities@fordmeterbox.com](mailto:opportunities@fordmeterbox.com)

Dates of work availability should be included on the resume. Only those candidates under consideration will be contacted. No phone calls please.

*FORD METER BOX IS AN EQUAL OPPORTUNITY EMPLOYER. ALL EMPLOYMENT DECISIONS WILL BE MADE WITHOUT REGARD TO RACE, COLOR, SEX, AGE, RELIGION, NATIONAL ORIGIN, DISABILITY, MILITARY STATUS OR ANY OTHER BASIS PROHIBITED BY LAW.*

Ford Meter Box Company conducts drug screens as a part of the recruiting process.

# COLLEGE INTERNSHIP

## Ford Meter Box

---

Ford Meter Box is seeking a Foundry Intern at its Wabash, Indiana facility for Summer 2021. Candidates should be entering their junior year of college and pursuing a four-year Material Science or Mechanical Engineering degree. A minimum GPA of 3.00 is also required. The position has the following responsibilities:

- Foundry Tasks and Labor
- Hand Tool Operation
- Green Sand Molding Processes
- Environmental/Safety Compliance
- Sustainability Initiatives
- Material Diagnostics, Statistics, and Analysis
- Oral Presentations

Candidates must be at least 18 years of age and able to work at least 8 weeks during Summer 2021. Temporary lodging is also available for this paid internship. The assignment is seasonal and concludes prior to the beginning of the Fall College Semester. The deadline for resume submission is January 5<sup>th</sup>, 2021.

Due to the high volume of interest phone calls and in-person visits cannot be received at this time.

Interested prospects may email their resume to [opportunities@fordmeterbox.com](mailto:opportunities@fordmeterbox.com).
